Thinking rural: Reflecting on the impact of rural proofing on NI policy

Rural settlements and wider countryside

1. To have due regard to rural needs in the development of all policy and public service delivery decisions;

2. To monitor this activity and report on an annual basis to DAERA and through Annual Report.

Roslea Co. Fermanagh
1986
‘medieval housing conditions’
1. This is not rural proofing
2. Evidence of ‘due regard’

Rural Challenges
