

INVITATION

URBACT NATIONAL INFODAY

Ireland can benefit from Europe 2020 goals, such as growth, jobs, climate change, poverty reduction & social exclusion. European Structural and Investment Funds are designed to deliver on these goals. Within these funds, ERDF co-funded regional programmes will invest over €800million over the next 7 years.

URBACT can assist Ireland with projects which are eligible for ERDF urban development funds. The purpose of this event is to introduce you to the URBACT scheme, to brief you about the process of applying for URBACT funds, and in particular, to show the benefits for Irish partners joining URBACT networks & projects.

When? 5 FEBRUARY 2015 from 9.30am-2.30pm

Where? MAYNOOTH UNIVERSITY

Register for this free event at
<https://www.eventbrite.ie/e/urbact-info-day-tickets-14412238393>

Who should attend:
All stakeholders (planners, local authority officials, local politicians, central government officials, academics, voluntary organisations)

URBACT is a European exchange and learning programme promoting sustainable urban development
